

25th ANNUAL CONFERENCE PROCEEDINGS

28-29 JULY 2010 – Dubbo NSW

“ADAPTING MIXED FARMS TO FUTURE ENVIRONMENTS”

Invited Papers	Author	Page
<i>Theme: Natural Resource Management</i>		
Funny farming for the future	A Mosley, M Mosely	9
From advisory to regulatory land management	P Weston	12
Broad-scale management of biodiversity in temperate grazing lands and implications for productivity and profitability	JW Dorrough	16
The important role of soil organic carbon in future mixed farming systems	KY Chan	24
Soil carbon levels in southern NSW	KO Andersson, WB Badgery	28
What can insects do to help the farm soil improvement, pollination and pest control?	SA Cunningham, TA Evans, AD Arthur, NA Schellhorn and FJJA Bianchi	37
Changing our farm enterprise and management for a profitable and sustainable future	R Goodear	43
Communities in landscapes – Working together to integrate conservation and production in Box-Gum Woodlands	J Dalton	45
<i>Theme: Animals</i>		
Increasing productivity and persistence of perennial native pastures: EverGraze Albury–Wodonga	ML Mitchell, LL Slocombe, FW Dempsey and KF Wilson	48
Practical application of precision sheep management	JS Richards, SJ Semple and KD Atkins	53
A producer’s experience with precision sheep management	R Haigh	57
Integrating livestock and subsequent crop enterprises	DR Harbison, TA Wright	61
Evidence-based agriculture – can we get there?	JM Virgona, G Daniel	67
<i>Theme: Plants</i>		
The impact of extreme drought and climate change on the demography of plains grass populations in central New South Wales	RC Godfree, BJ Lepschi and MD Carnegie	75
Determining the quality of diets of grazing animals	GL Krebs, MBP Kumara Mahipala, P McCafferty and K Dods	80
Recent tropical perennial grass research and their potential role in maintaining production in a variable and changing climate	SP Boschma, GM Lodge and LH McCormick	85

Regeneration for profitable production	A Maurice, L Maurice, R Maurice and B Maurice	93
Maximising productivity from Brassica crops	HG Judson	96
Contributed papers	Author	Page
<i>Theme: Natural Resource Management</i>		
Biochar and productivity of <i>Digitaria eriantha</i> cv. Premier on a degraded soil in northern NSW	MK McLeod, PG Slavich and RJ McLeod	102
Comparison of recent, short-term rainfall observations with long-term distributions for three centres in northern New South Wales	GM Lodge, LH McCormick	104
Predicting pasture production from November temperatures	WB Badgery, GD Millar, D Mitchell, P Cranney and S Priest	108
Catchment action market based instruments – Soil Carbon Research Project	A Simmons, W Badgery, B Murphy, A Rawson, I Packer and K Andersson	112
Conservation of plant diversity in native pastures on the North-West Slopes of New South Wales	N Schultz, N Reid and GM Lodge	114
Influence of cropping and grazing on soil seed bank composition and in-situ vegetation on the “Pillicawarrina” floodplain, Macquarie Marshes	C Waters, L Nairn and G Melville	116
Temporary cropping as a means to restore native perennial grasslands in western NSW	Y Alemseged, RB Hacker, WJ Smith and GJ Melville	121
<i>Theme: Animals</i>		
Long-term annual rainfall and the distribution of simulated annual pasture intake of ewes grazing different pastures on the North-West Slopes of New South Wales	GM Lodge, LH McCormick	123
Reduced feed quality of hay following heating	N Griffiths, J Piltz, E Clayton, R Meyer and S Richards	127
<i>Theme: Plants</i>		
Evaluation of chicory cultivars and lines and plantain cultivars on the North-West Slopes of New South Wales	SP Boschma, GM Lodge, MA Brennan and S Harden	131
Ten tips for better establishment of sown tropical perennial grasses in northern New South Wales	GM Lodge, LH McCormick	135
Tropical grass pastures capture winter rainfall	SR Murphy, GM Lodge and MA Brennan	137
Acid soil tolerant lucerne – a pasture legume option for acidic soils in New South Wales	S Venkatanagappa, T O'Brien	141
Evaluation of perennial legume and herb cultivars and lines, North-West Slopes of New South Wales	SP Boschma, GM Lodge, MA Brennan and S Harden	143
Gross margin example of saltbush establishment in a rangeland pasture	Central West Catchment Management Authority	147
Developing resilient and productive pasture mixtures for southern Australia	MR Norton, RC Hayes, AW	151

	Humphries, KG Pembleton, RA Culvenor and GD Li	
Do pasture cropping systems work out west?	GD Millar, WB Badgery	154
Pasture cropping in the Central West and Lachlan CMAs	GD Millar	158
Pasture cropping checklist	GD Millar, WB Badgery	163
Pasture cropping in northern NSW – do the numbers for plant available water stack up?	GM Lodge, LH McCormick	166

Producers dealing with problem pasture species that cause seed contamination and production losses in lamb production systems	J Mason, K Behrendt	94
Simple rules to use when buying seed of tropical perennial grasses	LH McCormick, GM Lodge, SP Boschma, S Murray	97
Potential production of irrigated dairy forages on coastal NSW	JS Neal	101
Effect of fertilisers on pasture growth in carpet grass dominated pastures	C Rose, H Rose	103
Effect of fertiliser and rest period on legume abundance in carpet grass dominated pastures	C Rose, H Rose	105
Effect of fertiliser and rest period on grass composition in carpet grass dominated pastures	C Rose, H Rose	107
Effect of rest period on growth rates of carpet grass dominated pastures	C Rose, H Rose	109
Growth rates of water couch (<i>Paspalum distichum</i>) and spike rush (<i>Eleocharis sphacelata</i>) in two wetland grazing systems on the North Coast	C Rose, H Rose, P Hirst	113
Feed quality of water couch (<i>Paspalum distichum</i>) and spike rush (<i>Eleocharis sphacelata</i>) on the North Coast of NSW	C Rose, H Rose, P Hirst	115
Producing 'greener' grass with legumes enhances sustainability	JM Scott	117
Productivity and nutrient availability on a Ferrosol: biochar, lime and fertilise	K Sinclair, P Slavich, L van Zwieten, A Downie	119
GPS livestock tracking: a pasture utilisation monitor for the grazing industry	MG Trotter, DW Lamb, GN Hinch	124
Differences in intrinsic water-use efficiency between four <i>Austrodanthonia</i> species	CM Waters, J Virgona	126
